

E-MAIL DISTRIBUTION FORM

In an effort to save costs on mailings and to promote a "Green" Community, the Board would like to utilize e-mail to send Association correspondence, such as Agendas, Community Updates, Rule Reminders and the like to the City Walk Homeowners. By completing and returning this Form, you are giving the Association permission to deliver such Association correspondence to you via email.

The Davis Stirling Common Interest Development Act (California *Civil Code* Sections 1350 through 1378) also requires homeowner associations to deliver various documents to homeowners from time to time, such as the annual budget, the annual audit, summaries of Association policies and procedures and the like. Section 1350.7 of the *Code* permits delivery of these Association documents by email, but only if the recipient has agreed to that method of delivery. By checking the box immediately below, you are also giving the Association permission to deliver such documents to you via email, with the exception of those documents which the Code expressly requires be delivered by first-class mail, certified mail, or personal delivery.

I agree to accept items that fall under the Civil Code mailing requirements to be delivered via e-mail, with the exception of those documents which the Code expressly requires be delivered by first-class mail, certified mail, or personal delivery.

Your e-mail will remain confidential and will not be solicited to other Homeowners in the community. Please note that the Association sends correspondence to Homeowners and each Homeowner is responsible for forwarding Association correspondence to their tenants.

PROPERTY OWNER'S NAME:

LAST FIRST

PROPERTY ADDRESS:

UNIT # STREET CITY STATE ZIP

PROPERTY OWNER'S E-MAIL: _____

PROPERTY OWNER'S SIGNATURE:

Signature of Owner of Record Date
